

A Look Ahead . . .

A publication for Fernald stakeholders

Demolition Projects update

Decontamination and Dismantlement (D&D) activities continue in Plant 5, the former Metals Production Plant. MACTEC will begin upper elevation equipment removal in Building 5A. The equipment removal will consist of the heating, ventilation and air conditioning system (HVAC), duct work, vacuum piping and lighting.

NSC Energy Services, continues interior transite removal and asbestos insulation removal in Plant 6, the former Metals Fabrication Plant. NSC will begin removing baseline pipe bridges in mid-June.

D&D work also continues on the former Industrial Relations Building (28B) and Security Building (28A). A newly constructed egress has been completed for pedestrian traffic east of the Administration Building. A work zone will be established around Buildings 28A & 28B in order to begin interior D&D and removal of asbestos containing materials. For more information on D&D Projects, visit the Web site at www.fernald.gov/cleanupproj/d&d.htm, or contact John Trygier, DOE-FEMP D&D project manager, 513-648-3154, email: john.trygier@fernald.gov.

Waste Pits Project update

Excavation continues in waste pits 1, 2 and 3. Two trains are scheduled for shipment during mid and late June. To date, the Waste Pits Project has shipped 23 trains containing 135,000 tons of waste to Envirocare. For more information on the Waste Pits, visit the Web site at www.fernald.gov/cleanupproj/wpit.htm, or contact Dave Lojek, DOE-FEMP project manager, 513-648-3127, email: dave.lojek@fernald.gov.

Date change for the CP&T meeting

The Cooperative Planning and Training committee will begin meeting quarterly starting with the June 14 meeting. The meetings are held at the Ross Fire House located at 2567 Cincinnati Brookville Road. After a brief meeting at 5:00 p.m., a bus tour of Fernald, including a display of Fernald's emergency equipment, will be provided. For more information or to register for the tour please call Jeanie Foster at 513-648-5883, email: jeannie.foster@fernald.gov.

Fernald Cleanup Progress Briefing

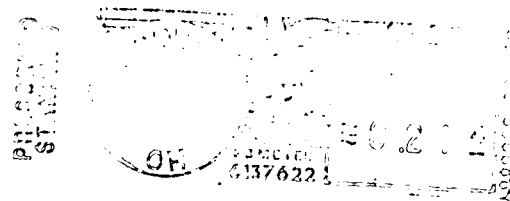

The Fernald Cleanup Progress Briefing is Tuesday, June 13, at 6:30 p.m. in the Services Building conference room at the Fernald site. DOE and Fluor Fernald project managers will discuss the status of each cleanup project. For more information, contact Gary Stegner, DOE-FEMP Public Affairs Officer, 513-648-3153, email: gary.stegner@fernald.gov.
